NOTICE

From the Foxborough Water Department

WATER MAIN LINING

Spring Street Easement (From Spring Street to Morse Street)

The Foxborough Water Department has contracted with Sanexen and Onyx to line the water main in the Easement between Spring Street and Morse Street.

This project involves the following

- Connecting 88 Spring Street and 119 Morse St to temporary water service.
- Accessing the easement from Morse Street as well as 131 Morse Street. If need be access may be required from 88 Spring Street.
- Pits will be dug along the easement (in the woods) and on Spring St where the water main enters the easement in front of #88.
- The water main will be cleaned, lined, pressure tested, chlorinated, and refilled.
- Service will then be reinstated to your property.

The work is scheduled to begin October 3 and last through December 9th.

We apologize for any inconvenience this may cause, and thank you for your patience. Questions may be directed to the Water Department at (508) 543-1209.
